PRODUCTS & SERVICES INFORMATION

You have just married the person of your dreams in a magnificent location and now it's time to celebrate the start of your new life together as husband and wife.

Allow Floral Collections to create an exquisite wedding reception themed from simple napkin settings to elaborate table centre pieces.

Imagine walking into your reception as husband and wife in the presence of your family and friends and with the romantic flickering of candle light and the sweet scent of fresh blooms.....it will be a moment never to be forgotten. We design what dreams are made of.....

The following list of reception decorating products is just a taste of what Floral Collections has to offer you. We have a friendly team of experienced floral designers ready to create your dream wedding.

We believe the flowers for your wedding should be unique and as such prefer to discuss your individual requirements with you and tailor your wedding specifically to your needs.

Our team love a new challenge and enjoy designing original pieces that combine the bridal, ceremony and reception flowers in a way that compliment the style and theme of your special day. We would be delighted to discuss with you any idea's that you might have for designing your floral reception setting.
