

# Wedding Styling Guide

Our styling team is passionate and innovative, committed to bringing your concept to life. From weddings to business events, indoor or outdoor, we can transform any space.

Our creative professionals cater to breathtaking styles and also consider the smallest of details. Styling can incorporate the surrounding elements of the tropics, make the night sky brighter with lighting, or transport your guests to somewhere else entirely.

As we are an Audio Visual company we can also offer DJ equipment, music packages, a range of lighting such as festoons, fairy lights, uplights and many more options. AVPartners strives to bring every element together in a way that perfectly expresses you as a couple.

Our inventory is always changing and expanding. Please get in contact if there is something you cannot see on offer, we may be able to source it for you!

Our team look forward to working with you to bring your special day to life.

\*NOTE - Pricing in this document is subject to change. All pricing in your proposal is current. All pricing is inclusive of GST and does not include team costs unless specified.
